Mayor Snyders called a Special Meeting of the Council at 6:30 pm in the Larchwood Community Center. Council members present were: Mayor Snyders, Candie Medema, Shane Reinke, Tanner Tracy and Mike Metzger. Holly Horstman was absent. Others in attendance were: Sandi DeSmet, Ted Underberg, Austin & Jodi DeSmet, Donald Reinke, Dale Kramer and Mark Ripperda.

The Council started the meeting by voting for Miss Larchwood, there was a tie vote so they will table until Holly makes her decision.

Mayor Snyders stated that he has vetoed Resolution 2023-24. He stated that he feels this resolution does not fairly apply the new wages. Years of service is not taken into consideration, nor is type of work being done.

A vote was taken to override the veto. It was a tie vote so the veto stands.

Much discussion took place between the employees present and the Council. Motion by Metzger, second by Tracy to set wages based on years of service. Roll call vote: Metzger-aye, Tracy-aye, Medema-aye, Reinke-nay, Horstman-absent.
